Ben,

I left a voice mail at your office and am following up by email in this thread in order to keep the CAG included in this discussion. I was told EPA Region 7 would have a response to questions MCE submitted by October 17 and I'm curious if you have an update?

Best regards,
Ed

Dear West Lake CAG,

MCE attached questions for the EPA, which will hopefully be answered at the next CAG meeting. I did not see an email with a deadline for questions, so I hope it's not too late (maybe I missed it). Also attached are supporting documents related to question #3.

Best regards,
Ed Smith
